

Must Do

Reading your book 3 times a week. Ask the grown up reading with you to sign your reading record.

Engaging with the online platforms for a maximum of 30 minutes in total (we don't expect 30 mins on each!)

Could Do

Below are a series of tasks that are directly linked to the learning that is being completed in Year 1 this half term.

Maths Look for numbers when you are at home or out and about. How many can you find?	Project (Toy Takeover) Make a toy using junk modelling. <i>links to learning taking place in <u>weeks 1-8</u>.</i>	English How many words can you write with the sound 'ow' in? Can you do the same for the sounds 'sh' and 'ur'? <i>links to phonics learning this term</i>
Enrichment Activity Get yourself outside for 30 minutes of physical activity. You can decide what to do...swim, run, football games...what will you choose.	Maths Number formation. Write numbers 1 - 20. Check your number formation using a number line. <i>links to learning taking place in <u>week 1-2</u></i>	PSHE Create a feelings monster. Write about how this monster helps children.
Project (Toy Takeover) Draw a Victorian toy and label it. How is it different to the toys we have today? <i>links to learning taking place in <u>week 4</u></i>	English Design and create a monster using junk modelling. Can you give your monster a name and describe it using adjectives (e.g. smelly, smooth, spotty)? <i>links to learning taking place in <u>week 3</u></i>	Enrichment Activity Go for an Autumnal walk with members of your family.
Maths Count forwards and backwards 0 - 100. Go as far as you can. Find one more and one less than: 13 6 10	Science Create a timeline of you from a baby to now (you could do this by drawing or by looking at photos). How have you changed? <i>links to learning taking place in <u>week 1-2</u></i>	English Can you write a letter to a family member or friend? <i>links to learning taking place in <u>week 5-8</u></i>
