

Must Do

Reading your book 3 times a week. Ask the grown up reading with you to sign your reading record.

Engaging with the online platforms for a maximum of 30 minutes in total (we don't expect 30 mins on each!)

Could Do

Below are a series of tasks that are directly linked to the learning that is being completed in Year 1 this half term.

Maths

Ask an adult or sibling to write down some random number (up to 100). Can you order them from smallest to largest?

links to learning taking place in week 4

Project (Dinosaur Planet)

Can you build a structure using man made and recycled materials. Think about how you would join in and make it stronger.

links to learning taking place in week 2

English (The Little Boat)

Draw your own little boat. Can you label it with adjectives?

Can you use these adjectives in a sentence? Have you used capital letters, full stops and finger spaces?

links to learning taking place in week 1

Science (Plants)

If you can, grow some watercress. What does it need to survive?

Create a dairy of how it grows over time using drawings and words to describe its appearance.

Maths

Practise learning how to read the time on an analogue clock.

Can you recognise o'clock, half past, quarter past and quarter to times?

links to learning taking place in week 1

PSHE (Money Matters)

If you had pocket money every week, would you rather spend it on something straight away or save it to buy something really special? Talk about your reasons with an adult.

links to learning taking place in week 3

Project (Dinosaur Planet)

Can you create different textures using tools. This could be using playdough, dough, clay.

links to learning taking place in week 2

English (The Little Boat)

Write your own story about a little boat. Think about who is on the boat. Where will it go? What does it see?

links to learning taking place in week 2

Enrichment Activity

Play a game with the family. This could be a board game or a game you could play in your garden or at the park.

Maths Create a number line counting in 2s, 5s and 10s. Can you explain the pattern? links to learning taking place in week 4	Enrichment Activity Spend some time outside with the family, this could be play a game or going for a walk.	English Find your favourite book. Can you think of an alternative ending? Draw a picture and write a sentence to show this.
