

Must Do

Reading your book 3 times a week. Ask the grown up reading with you to sign your reading record.

Engaging with the online platforms for a maximum of 30 minutes in total (we don't expect 30 mins on each!)

Could Do

Below are a series of tasks that are directly linked to the learning that is being completed in Year 1 this half term.

Maths

Can you solve these missing number problems?

$$\begin{aligned} 7 &= ? - 9 \\ 9 &= ? - 5 \\ 5 &= ? - 4 \\ 10 &= ? + 3 \\ 15 &= ? + 4 \\ 20 &= 5 + ? \end{aligned}$$

Project (Big Lights, Big City)

Go on a walk around your local area. Note down all the physical and human features you can see. **Examples: shops (human feature), hills and woodland (physical).**

English (Fairy Tale Stories)

Ask your adult for help, find the story or watch the Jack and the Beanstalk story. Create a story map to help you retell the story to your adult.

Enrichment Activity

Go outside for 30 minutes with your adult for physical activity.

Go to the park, go shopping, or go swimming!

Maths

Can you complete these multiplication sums by counting in your 2 times tables. Can you show how you got the answer?

$$\begin{aligned} 3 \times 2 &= \\ 5 \times 2 &= \\ 4 \times 2 &= \\ 8 \times 2 &= \\ 10 \times 2 &= \\ 7 \times 2 &= \end{aligned}$$

Science (Weather Art)

Draw a picture of a tree in Autumn, Winter, Spring and Summer. You could use felt tip pens or paint.

Talk to an adult about how the tree changes as the seasons change. **What happens to the weather?**

What is your favourite season and why?

Project (Big Lights, Big City)

On a piece of paper draw a line to represent the River Thames in London. With an adults help, can you draw the London landmarks that surround the river e.g. The London Eye.

English (Familiar Stories)

Draw your own gingerbread house inspired by the one in Hansel and Gretel. Can you label your house using adjectives?

My example: White, fluffy icing.

links to learning taking place in week 2

Enrichment Activity

Go for a walk with your family. What can you see? What can you hear? What can you smell?

What do you see in the spring that you do not see in the winter?

Maths

Draw some shapes on a piece of paper (triangle, circle, and square). Can you split the shapes in half and colour in $\frac{1}{2}$? Remember to check that part should be equal.

Now have a go at finding $\frac{1}{4}$.

You could also do this with objects in the house.

links to learning taking place in week 3

Handwriting

Work on these letters

q
w
x
g

English

Draw a picture of a character from a fairy-tale story. Write one sentence to describe the character using capital letters, finger spaces and full stops. Can you also use a conjunction?

My example: Gretel has long, yellow hair and big blue eyes.
