

Required PE Kit

Indoor PE consists of dance and gymnastics. For these lessons, an indoor PE kit is required.

- Black shorts (non lycra)
- Plain white t-shirt or white logo t-shirt

Tracksuit bottoms are not permitted to be used indoors for health and safety reasons as these can cause a slipping hazard when caught under the foot.

Outdoor PE consists of games including tennis/football and athletics. In addition to the black shorts and white t-shirt, the following items are required:

- Trainer socks
- Trainers
- Plain Black tracksuit bottoms
- Black zip up hoodie

Tracksuit items are required for colder months.

Please note, children must remove any jewellery, sign an earring disclaimer and tie long hair back for PE lessons.

Children will be unable to take part in PE with the incorrect kit.
