This will be issued on Thursdays and due to the following Thursday.</p> <p>Whilst this homework aims to support progress ahead of assessments, our thoughts steer to helping the children prepare for the transition to secondary school, where they will need increased independence and organisational skills. We ask that you support your child with ensuring they set time aside for completing this and by providing a quiet place to study.</p> <p>We will be hosting an information evening on Wednesday 28th January at 5.15pm to share key information about SATs – we look forward to seeing you then.</p>
