

Class Update: A Busy and Successful Week!

The children have been working incredibly hard during checkpoints this week, and they should all be very proud of themselves. We have been so impressed with their focus, effort and positive attitudes.

In English, we have been developing our persuasive writing skills by creating persuasive speeches, alongside continuing to read *No Ballet Shoes in Syria*. In Science, we have been learning about classification keys and diagrams to help us identify and group living things. Our Project lessons have focused on Mexico, where we have been learning about the distribution of food, energy and minerals and creating a detailed clay topographical map of the country. In PE, we are covering athletics and dance, and we have begun putting a team together for our county athletics competition.

A quick reminder that homework continues to be set on Thursdays and should be handed back the following Thursday, when it will be marked.

Well done to everyone for such a fantastic week of learning!

Mrs Good & Mrs Morris
